BizCover for Brokers

BizCover is the first Australian online aggregator of Professional Indemnity (PI) products for brokers. Our unique platform allows brokers to service their SME PI client base with a degree of efficiency that has not been possible until now.

In a matter of minutes BizCover will provide brokers with multiple contestable quotes from a range of leading PI insurers. Brokers can then bind cover immediately and have all policy documents automatically sent to them.

BizCover specialises in PI insurance, providing cover for over 200 different types of professions.

With over 30 years of combined experience underwriting and placing PI risks, our team is well placed to support brokers with all your PI related questions and advice.

Why BizCover for Brokers

- **Choice** – Brokers get to choose from a range of Australia's leading insurers including Chartis, Dual, Vero, Hiscox and QBE.
- **Privacy** – BizCover does not interact with brokers' clients directly, the client broker relationship is maintained and all data is securely stored.
- **Financial** – For every PI policy bound, the broker will receive a full 15% commission and the ability to add on a separate fee.
- **Efficiency** – Brokers save time binding policies instantly online or over the phone in less than 5 minutes without the need to remarket the policy.
- **Price** – BizCover offers brokers and their clients' competitive online based pricing with 60 day payment terms.
