How does BizCover remunerate its staff?

Our consultants are paid a salary and may receive commissions based on a number of factors including:

- Customer service levels and quality;
- Sales targets; and
- Compliance

BizCover Pty Ltd's Sources of Income

When placing your insurance We usually receive a commission from the insurer. The amount varies between 0% and 30% of the base premium you pay. Where a policy is cancelled before the period of insurance has ended We will usually retain the

commission on any returned premium involved.

We may receive additional remuneration from insurers with whom we have profit share or volume bonus arrangements. This remuneration is payable if We meet certain agreed sales and/or profitability targets set by the insurer.

We retain the interest on premiums paid by you that are held in our trust account before paying the insurer. We are a member of the Steadfast Group Limited (Steadfast) Network Brokers. Steadfast has exclusive arrangements with some insurers under which Steadfast will receive between 0.5 - 2% commission for each product arranged by us with those insurers.

BizCover Pty Ltd may receive a proportion of that commission from Steadfast at the end of each financial year (or other agreed period).

As a Steadfast Network Broker, BizCover Pty Ltd has access to member services including model operating and compliance tools, procedures, manuals and training, legal, technical, banking and recruitment advice and assistance, group insurance arrangements, product comparison and placement support, claims support and group purchasing arrangements. These member services are either funded by Steadfast, subsidised by Steadfast or available exclusively to shareholders for a fee.

You can obtain a copy of Steadfast's FSG at www.steadfast.com.au

How We Are Paid

We receive 100% of the income that is generated by our clients. If a person has referred you to us, we may pay them a part of any fees or commission received.

We have a set of standard non-refundable Administration Fees for administering the policies we arrange.

All administration fees payable for services will be advised to you separately from your premium on the invoices we provide.

Premium funding products enable you to pay your premiums by instalments. Premium funders do charge interest. If we arrange premium funding for you we may be paid a commission by the premium funder. We may also charge you a fee (or both). The commission that we are paid by the premium funder is usually calculated as a percentage of your insurance premium (including government fees or changes). If you instruct us to arrange or issue a product, this is when we become entitled to the commission.

Our commission rates for premium funding are in the range of 0% to 3% of funded premium. When we arrange premium funding for you, you can ask us what commission rates we are paid for that funding arrangement compared to the other arrangements that were available to you. The amount of our commission and any fee that we charge will set out in the premium funding contract.

As an alternative to premium funding, we can arrange a Pay by the Month premium facility in relation to your policy on behalf of the insurer of the policy. The monthly instalment payment will include an instalment administration charge as specified in the 'Monthly Payment Breakdown' provided to you on our website. Full details of this arrangement are disclosed on our website.

If you pay by credit card we may charge you a credit card (incl. arrangement & handling) fee, which is disclosed and shown separately on our invoices, they are non-refundable. This fee covers the cost of bank charges etc. associated with such facilities.
