Our range of cover

A single insurer's risk appetite can be narrow, meaning they may only offer cover for certain occupations or products. By having multiple insurers on the platform, BizCover can offer a wider range of cover options across more occupations, at competitive rates.

Real Partner Success Stories

"Partnering with Bizcover has been one of the best business decisions we have made. The platform makes it so easy for our NDIS providers to quickly and easily access the insurances they need to run their businesses. Bizcover takes their partnerships seriously and we love working with Michael, Chris and Sharon"

Nicole Gamerov - Founder & CEO, MyCareSpace

"Choosing to collaborate with Bizcover stands out as one of our most prudent business decisions. Their platform empowers our Migration Alliance members with swift, seamless access to policies essential for their practice. We value their proactive partnership and thoroughly enjoy working with Chris and Sharon."

Liana Allen - CEO, Migration Alliance
