Remuneration

The premium you pay for your insurance policy includes a commission payable to BizCover for arranging your insurance policy (Commission). If your policy is cancelled, BizCover retains the commission as a fee for arranging your policy, as this service is provided at the time of purchase. Any applicable premium refund will be processed in accordance with BizCover and/or the insurer's cancellation terms, deducting any non-refundable amounts, including but not limited to the commission retained by BizCover. No additional refund will be provided unless the cancellation occurs within the cooling-off period, in which case specific terms apply. If a person has referred you to us, we may pay them a part of any fees or commission we receive..

The agreement under this clause is between you and BizCover and not between you and the insurer. BizCover acts

on its own behalf when deducting the payment due to it under this clause and not on behalf of any insurer.

Our employees that assist you with your insurance needs are paid a market salary and may receive commissions based on a number of factors including:

Customer service levels and quality; Volume and productivity targets; and Compliance.

We may receive additional remuneration from insurers for whom we provide additional services.

We also may receive remuneration from our corporate partners for use of our platform.

You can ask us for particulars of amounts within a reasonable time after receiving this FSG and before we provide you with any financial services.

We retain the interest on premiums paid by you that are held in our trust account before paying the insurer.

We are a network member of Austbrokers Member Services Pty Limited (**AMS**). AMS has exclusive arrangements with some insurers under which AMS will receive between 1 – 1.5% commission for each product arranged by us with those insurers.

We may receive a proportion of that commission from AMS on a quarterly basis each financial year (or other agreed period).

As a member of the AMS network, we have access to member services including model operating and compliance tools, procedures, manuals and training, technical, banking and recruitment advice and assistance, group insurance arrangements, product comparison and placement support and group purchasing arrangements. These member services are either funded by AMS, subsidised by AMS or available exclusively to members for a fee.

Platform Fees

For each insurance product the insurer will charge you a premium and, as set out above, we receive a commission that is a percentage of this premium.

We also charge you a platform fee of \$20 to \$200 plus GST depending on the policies we arrange for you. This fee relates to the delivery of the service from BizCover to you including but not limited to the provision and maintenance of the technology platform and the services provided by BizCover's consulting and administrative personnel. It is calculated based on factors including the work involved, the nature of your business and the product selected. This fee is non-refundable unless you cancel your policy during the cooling-off period. All fees payable for services will be advised to you separately from your premium on the invoices we provide.

If you elect to pay your premium by monthly instalments, we will also charge you an instalment administration charge of \$8 plus GST per month.

If you pay by credit or debit card we may charge you a card (including arrangement & handling) fee, which is disclosed and shown separately on our invoices, and is non-refundable. This fee covers the cost of bank charges etc. associated with such facilities.
